## \$75,000,000 FOR GOOD HIGHWAYS

Apportionment of \$5,000,000 Federal  
Road Fund to the Several States;  
Oklahoma's Share

Washington, D. C., July 23.—The Secretary of Agriculture under date of July 21, 1916, certified to the Secretary of the Treasury and the governors and state highway departments of the several states the following apportionment of the \$5,000,000 of federal road funds available for the fiscal year ending June 30, 1917. This is the first installment of federal money to be apportioned to the states under the federal aid road act approved July 13, 1916. Before making the division among the states, the secretary, in accordance with the act, deducted 3 per cent or \$150,000 needed for administering its provisions. This left \$4,850,000 to be apportioned among the states, one-third in the ratio of area, one-third in the ratio of population, and one-third in the ratio of mileage of rural delivery routes and star routes. The apportionment on this basis gives the following amounts for the several states:

Alabama	\$184,148.98
Arizona	68,512.50
Arkansas	82,969.19
California	151,493.92
Colorado	85,096.14
Connecticut	71,656.64
Delaware	8,184.37
Florida	55,976.27
Georgia	134,228.48
Idaho	64,483.50
Illinois	229,326.21
Indiana	125,747.62
Iowa	146,175.69
Kansas	254,807.49
Kentucky	97,471.31
Louisiana	57,474.05
Maine	48,451.59
Maryland	44,847.32
Massachusetts	78,570.50
Michigan	145,781.72
Minnesota	142,294.96
Mississippi	88,961.84
Missouri	169,720.41
Montana	98,287.15
Nebraska	146,770.81
Nevada	64,288.30
New Hampshire	39,996.62
New Jersey	59,212.08
New Mexico	78,707.81
New York	259,720.27
North Carolina	134,281.92
North Dakota	76,143.96
Ohio	189,900.42
Oklahoma	115,129.00
Oregon	78,887.51
Pennsylvania	236,444.11
Rhode Island	11,654.71
South Carolina	71,897.64
South Dakota	80,345.92
Tennessee	114,152.48
Texas	291,897.81
Utah	56,356.15
Vermont	22,844.47
Virginia	59,669.71
Washington	71,884.28
West Virginia	54,370.25
Wisconsin	128,291.07
Wyoming	61,186.82
<b>Total</b>	<b>\$4,850,000.00</b>

**Later Appropriations.**  
The apportionment indicated above is only of one year's funds. For succeeding fiscal years the act appropriates the following amounts:  
1917 \$10,000,000  
1918 15,000,000  
1919 20,000,000  
1920 25,000,000  
1921 25,000,000  
The act requires that the apportionment for each year shall be made in the same manner. Different sums are appropriated for each year and the apportionment must also take into consideration the population as shown by the latest available federal census and the mileage of rural delivery and star routes as shown by the certificate of the postmaster general for the next preceding fiscal year. A new apportionment, therefore, must be announced for each fiscal year.  
The apportionment as given above does not take into consideration the \$1,999,000 additional appropriated each year for ten years for the development of rural roads in the national forests.

**NOTICE**  
To all purchasers of groceries, fruits and vegetables:  
I respectfully suggest that you do not buy any article of food which has been exposed so that flies can and do crawl over it. Flies carry diseases of many kinds. They are the special advanced agents of typhoid fever germs. More might be said but this should be effective.  
E. L. DAWSON,  
City Superintendent of Health.

## DIM YOUR LIGHTS OR BE FINED

City Attorney Instructed to Draw Up Ordinance; Pay of Police Officers is Increased \$5

In the future all headlights of motor traveling within the city limits will be dimmed if the ordinance which the city attorney has been instructed to draw up passes the council.  
This was the subject of an interesting discussion last night in which the argument was all on one side and the instructions to draw up the ordinance was ordered without a dissenting voice.  
Alderman DeBus, who recommended the action, stated that it was the experience as a driver of a car that starting headlights were dangerous. Drivers of cars which have such light find difficulty in seeing pedestrians or even buggies which are between two oncoming machines and street times accidents are largely averted.  
Service car bonds of Andy Morris and John Trevino in the sum of \$1000 each were approved.  
It developed that a movement is on foot to build a sidewalk along the west side of Fifth street between Choctaw and Pennsylvania avenues which will be about one and a half blocks in length. The question was referred to the street and bridge committee who will ascertain whether or not the property owners are willing to pay for it.  
City Clerk Reynolds was instructed to publish a notice to property owners instructing them when the payment of paving taxes will be due.  
The salaries of city policemen were increased \$5 a month by the council, the increase being effective during the month of July. Those who have been receiving \$85 will now get \$90 and those getting \$70 will be advanced to \$75.

**MEMBER  
STATE BD.  
PRAISES**

R. M. Campbell of Board of Education Visits College; Coming Educational Institution of Southwest

"I'm more than delighted with the progress being made by the Oklahoma College for Women," said R. M. Campbell of Anadarko this morning after spending an hour in the college office. Mr. Campbell is a member of the state board of education, and one of the strongest backers of higher education in Oklahoma.  
"We can all see it," he said, as he finished looking through the long list of women who wanted to get into the boarding department of the college, where there was no room for them. "You need buildings. You need more equipment. You need more instructors."  
"You have one of the healthiest, most solid institutions in the country. It is already taking a place as a leader in school circles of the southwest. Its growth in size and power will be more rapid as the years pass."  
"I believe firmly that the people of Oklahoma can see that money invested in the Oklahoma College for Women is money more than well invested. And I am confident that the college will receive the consideration it deserves when the legislature meets this winter."

**FARMERS WANT McREYNOLDS AGAIN FOR CO. WEIGHER**  
To the voters:  
We wish to say as farmers that we have been well pleased with E. McReynolds as county weigher and we would like to see him re-elected. We and many of our neighbors come to Chickasha because we like the way in which he conducts the county weigher's office. The voters of Chickasha will make no mistake in supporting him as it is worth thousands of dollars to Chickasha every year to have him in this office.—Fred Kreis, C. A. Reynolds, J. F. Warner, T. D. White, J. H. Sulplex, Norge, Okla., Frank Hart, Amber, C. E. Phillips, T. H. Davis.

## Accomplishing "the impossible" in a cigarette!

It is years back since smokers have heard of any NEW quality in a cigarette.  
But here, at last, is a cigarette that has accomplished "the impossible", namely:  
A cigarette that satisfies, and yet is MILD—Chesterfields!  
For the first time in the history of cigarettes, you are offered this new kind of enjoyment!  
No cigarette, at any price, can give you this new enjoyment—except Chesterfields!  
Why?  
Because no cigarette maker can copy the Chesterfield blend!  
Try Chesterfields—today

Liggett & Myers Tobacco Co.

# Chesterfield

## CIGARETTES

20 for 10c

They SATISFY!  
—and yet they're MILD

Attractive tin of 100 Chesterfields, 20c, prepaid, on receipt of 50c, if your dealer cannot supply you. Address Liggett & Myers Tobacco Co., 213 Fifth Ave., N. Y. City.

**Artificial Abrasives.**  
Artificial abrasives have nearly displaced the natural. The United States production of corundum and emery is reported to have gradually increased in quantity and value from 1880 and then decreased in value per ton, but increased in quantity, thus maintaining an annual average of about \$160,000 until 1902. In the decline since then corundum mining has ceased and emery mining is nearly dead. The artificial abrasives produced are carborundum, cryolite, aluminum, aloxite, crushed steel and steel shot.
